Giving a High Five to the school means more than just a donation...it means our community supports the good work we do for the kids and families.

What a great way to help SHS for only \$5! And it's easy!

Any time you wish to do a shout-out or compliment anyone at SHS, simply go to the SHEF website, and click on "High Five!" For as little as \$5, you can be a positive supporter of our school community. Give the school a **High Five** by donating (one time, monthly or annually). This is an on-going fund raiser for anyone in the community who wishes to congratulate the efforts of SHS, celebrate a special occasion, or recognize a special teacher or student. **High Five** messages will be posted on the SHEF website as well as on display at SHS.

Some examples are as follows:

"Bravo, teachers for making the first day of school so exciting for our students!"

"Way to go, girls' softball team!"

"Congrats 4th graders! You're the best!"
