

# Signal Hill Education Foundation

Thank you to all of our sponsors that supported our annual Cocktails for a Cause (C4AC) event. This year's theme was Oktoberfest. Special thanks to our phenomenal hosts, Michael & Tara O'Sadnick. We raised \$10,000 to support to Signal Hill School.

## Lesley Angenend

I am a licensed professional counselor working for a local nonprofit organization. I have had four children graduate from SHS. For several years, while they were students at Signal Hill, I worked as a substitute teacher at SHS. I grew up on the East End of Belleville, so I am a transplant! I love living on the West End. I often tell people it feels like its own small town. Being on the SHEF board makes me feel even more connected to SHS and my community.

## Candace Hall

I am a faculty member at Southern Illinois Edwardsville in the School of Education, Health and Human Behavior. I have lived in the Signal Hill community for the last eight years. I have three children, all enrolled as students at Signal Hill School. I am currently the vice president of SHS PTO and volunteer as a mentor at the school for the past two years. I am excited to serve my first term on the Signal Hill Educational Foundation (SHEF).

## Paul Sforza, Treasurer

This is my third term serving on the SHEF Board. I previously served six years, with four as President and one as Vice President. Our family has lived on the Boulevard for nearly twenty years, and my wife is a life long resident of Signal Hill. Our kids also graduated from SHS and are now in college. I serve on the SHEF Board because of the support it provides to SHS, helping to make it one of the top schools in the area, rich with tradition, offering arts, drama, music, language, science, and technology. SHS is at the center of the community and a strong school is a better community.
